AI Productivity · Bring your own project

Two weeks. Your project, built with AI.

For creators, marketers, founders, freelancers, and the people organisations send: marketing and communications staff, analysts, operations teams. Bring the project you are working on; every lab over the two weeks feeds it, and you leave with it built.

Next start	Length	Seats	Fee
Founding cohort, November 2026	**2 weeks, 10 teaching days**	**10 per cohort**	**7,500 LYD a seat**

What you make

01 App, Automation, Image, Brand, Prompts, Video, Voice, Music, Campaign, Copy

02 By day three you ship your first app or video

03 You leave with your own project built, and a portfolio you can show a client or your manager

How the two weeks run

1. **Week one**
   Productivity, AI coding, automation, image and brand design.
2. **Week two**
   AI video, voice and music, campaigns and copy.
3. **Studio labs, Sunday to Thursday**
   Ten places, so every lab is hands-on with an instructor beside you.
4. **Your own project, or your organisation's**
   Organisations sending two or more people can set the project.
