Executive AI Path

Your AI strategy, in five days.

For CEOs, directors and heads of department. You leave with an AI strategy for your organisation, a 90-day roadmap with a budget attached, and the questions that stop a vendor selling you the wrong thing.

Next start	Length	Seats	Fee
Sunday 15 November 2026	**5 days, Sunday to Thursday, 20 hours**	**7 per cohort**	**10,200 LYD a seat**

What you take back

01 Size the AI opportunity in your organisation in numbers your CFO will accept

02 Know where AI breaks: leaked data, confident wrong answers, manipulated instructions, and the controls to demand

03 Read a vendor pitch and a contract without being locked in

04 Finish with a one-page AI strategy, a 90-day roadmap and a private advisory session on your own plan

How the week runs

1. **Mornings, Sunday to Thursday**
   Four hours a day, so you are back at work by the afternoon.
2. **14 sessions, 5 hands-on labs**
   Built on your own organisation's questions, not generic case studies.
3. **Seven leaders in the room**
   The week runs as a working group, not a lecture. What is discussed in the room stays in the room.
4. **A private advisory session**
   The week closes with time on your own plan, one to one.
