AI Literacy Initiative

Your name on thirty certificates.

The AI Literacy Initiative funds AI for Everyone one month at a time: one sponsor, one cohort of thirty people trained at no cost to them. A teacher who can spot a cloned voice. A shopkeeper who answers customers in two languages. A nurse who checks before she trusts. Your organisation's name on every certificate, and a report on what changed.

Cost	People trained	Months	Your name
36,000 LYD for one month	**30 at no cost to them**	**12 in 2027, one sponsor each**	**On all thirty certificates**

What your sponsorship pays for

01 Your organisation's name on all thirty certificates

02 Choose a public cohort or a group you care about

03 A report after the cohort: scam-detection scores before and after, labs completed
